Remembering David P. Nichol

The mortgage industry mourns the loss of Dave Nichol.

CALGARY, Alberta, April 21, 2008 — David Nichol passed away suddenly on April 20, 2008. Dave was a cofounder of Morty Systems, Invis and worked with Marlborough Stirling (MorWeb) before his exit from the mortgage industry.

Dave was always ready to share his experiences, invite you to share a meal or just be a sounding board when you needed it. He rarely let you see him down and could make anyone feel like they were the most important person in the room. For those of us that knew him well, he enriched our lives. Those that didn't missed out on being in the presence of a man who would give you the shirt off his back if you needed it, while making you realize that tomorrow will be a better day. He will be fondly remembered and missed for his laugh, generosity, pioneering spirit and his zest for life.
